

Cole Trammell

Retail Operations Leader

📍 Magnolia, TX ✉️ coletrammell7@gmail.com 📞 936-777-5439 🔗 github.com/c-tram
☁️ Azure Fundamental Certified

PROFESSIONAL SUMMARY

Results-driven retail operations leader with 7+ years of progressive experience from stocking shelves to managing sortation process for high-volume store operations and ensuring optimal efficiency across store processes through inventory control and management. Proven track record of driving growth, developing talent, and optimizing supply chain to salesfloor operations.

EDUCATION

Sam Houston State University

May 2023

Bachelor of Science in Computer Science

Information Systems Concentration

Relevant Coursework: Data Structures & Algorithms, Database Systems, Software Engineering, Statistical Computing

CORE COMPETENCIES

Process Optimization & Efficiency	Talent Development & Succession	Inventory Management & Accuracy
P&L Accountability & Sales Growth	Data-Driven Decision Making	High-Volume Operations

PROFESSIONAL EXPERIENCE

General Merchandise & Inbound Operations Team Leader

Feb 2024 – Present

Target Corporation

- ▶ Direct accountability for driving efficient inventory flow in a \$60M annual sales store across all departments.
- ▶ Lead 30+ team members daily across store-wide operations, ensuring efficient inventory flow from distribution center to salesfloor.
- ▶ Drive operational efficiency improvements of 15-25% through systematic workflow analysis, seasonal process optimization, and data-driven decision-making aligned with sales forecasts.
- ▶ Serve as Leader on Duty 5/7 days weekly, managing store opening procedures, safe operations, cash office oversight, emergency response (fire safety, equipment failures), and critical incident management.
- ▶ Maintained top 10 regional ranking in Toys category and 97.5% inventory accuracy across high-volume seasonal categories through strategic merchandising and cross-functional collaboration.

General Merchandise & Food Team Leader

Dec 2023 – Feb 2024

Target Corporation

- ▶ Promoted to first leadership role managing General Merchandise and Food departments, demonstrating operational excellence and readiness for expanded inbound operations responsibility.

Food & Inbound Expert

Apr 2018 – Dec 2023

Target Corporation

- ▶ Demonstrated consistent excellence and professional growth over 5+ years in fast-paced retail environment, leading to leadership advancement.
- ▶ Trained new employees on operational procedures, safety protocols, and guest service best practices while building reputation for efficient problem-solving.
- ▶ Proven ability to work autonomously while consistently meeting deadlines under pressure in high-volume operations.

TECHNICAL PROFICIENCIES

Retail Systems

Inventory Management Systems
POS Systems
Sales Forecasting Tools
Performance Dashboards

Data Analysis

Excel & Statistical Analysis
Data Visualization
Metrics Reporting
Advanced Analytics

Cloud & Development

Azure • Docker • CI/CD
SQL/MySQL • Redis
JavaScript • TypeScript
React • Node.js • Python

TECHNICAL PROJECTS & DATA ANALYTICS

The Cycle — Enterprise MLB Analytics Platform

May 2025 – Present

React • TypeScript • Node.js • Azure Redis • Docker

- Independently architected and deployed enterprise analytics platform processing 1,000+ MLB games with 40+ statistical categories, demonstrating advanced data modeling and performance optimization capabilities
- Implemented Redis caching with batch operations and parallel processing, reducing system load times by 80% through algorithmic efficiency improvements
- Applied statistical computing and data pipeline development skills to retail operations, enabling data-driven decision-making in inventory management and sales forecasting
